METHOD OF PAYMENT (Check One)
☐ Payroll Deduction
☐ Cash, Check, or Money Order
☐ Easy Pay (Bank Draft)

I hereby authorize the local Board of Education or other employer to deduct from my paycheck annual dues for the United Education Profession and political action contributions as indicated. Continuing members authorization will continue until revoked in writing to the local education association president and the business office of my employer. In the event of separation prior to final payment, I direct the remaining balance to be deducted from my last paycheck. I agree to hold the Board of Education or my employer harmless for these deductions. A local's negotiated contract provisions and bylaws will prevail over any conflicting provision of this form.

****The NEA Fund for Children and Public Education (NEA Fund)** collects voluntary contributions from Association members which are used for political purposes, including, but not limited to, making contributions to and expenditures on behalf of friends of public education who are candidates for federal office. The local and state association political action committee performs similarly with local and state elections. Only U.S. citizens or lawful permanent residents may contribute to the NEA Fund. Contributions to the NEA Fund and state and local FCPE are voluntary; making a contribution is neither a condition of employment nor membership in the Association, and members have the right to refuse to contribute without suffering any reprisal. A member may contribute more or less than the suggested amount, or may contribute nothing at all, without it affecting his or her membership status, rights, or benefits in NEA or any of its affiliates. Contributions to the NEA Fund, or to state and local FCPE, are not deductible as charitable contributions for federal income tax purposes. Federal law requires us to use our best efforts to collect and report the name, mailing address, occupation, and name of employer for each individual whose contributions aggregate in excess of \$200 in a calendar year.

0.0382 of TEA dues are to support Government Relations activities. The funds used for political support are not tax deductible and will be used for other purposes upon request.

Dues payments (or a portion) may be deductible as a miscellaneous itemized deduction.

Federal law prohibits The NEA Fund for Children and Public Education from receiving donations from persons other than members of NEA and its affiliates, and their immediate families. All donations from persons other than members of NEA and its affiliates, and their immediate families, will be returned forthwith.
